The project is funded by the Australian Government for continuation of the 'Tools for Parents' project until June 2014— to provide free workshops and on-going courses designed to help parents/primary carers of children 0—12 years develop better relationships between themselves and with their children —and to enhance parenting skills. Richmond Community Services Inc . purchases group and workshop facilitation from Relationships Australia and childcare services from Hawkesbury Community Outreach Mobile Minders Service for the project and is delighted to offer them free to participants.
