Invitation

Community—it's YOUR business Morning Tea

As a valued business and service provider in the area we are pleased to invite you to a morning tea being hosted by

**Richmond Community Services Inc. and
Merana Aboriginal Community Association Inc.**

We are very keen to build stronger relationships with local businesses and stakeholders in the community. We often hear that people and services in the area do not know about us—and our own experience is that people often don't—until they need us. As members of LCSA and ANHCA, our services are part of a national network of over 1000 community centres across Australia, and we provide a wealth of programs, services and social activities in the local community which may well be of benefit your clients and customers.

**Guest Speaker & presentation by
