## TODDLER TANTRUMS & TRAINING

**WEDNESDAY 6TH JUNE 2012**

What behaviour can we expect as parents from our toddlers? What's 'normal'? How can we manage the extraordinarily creative range of behaviours that come our way? We look at strategies that help us feel that we are back in control of our parenting and that our children are back in control themselves.

This is a project offered by

The project is funded by the Australian Government for continuation of the 'Tools for Parents' project until June 2014— to provide free workshops and on-going courses designed to help parents/primary carers of children 0—12 years develop better relationships between themselves and with their children —and to enhance parenting skills. Richmond Community Services Inc . purchases group and workshop facilitation from Relationships Australia and childcare services from Hawkesbury Community Outreach Mobile Minders Service for the project and is delighted to offer them free to participants.
